

# 4 Steps to Enhance Your Service Learning Programme

*Look*

at what you already have

Celebrate existing service learning outcomes

*Check*

learning outcomes

Make the action/outcome of learning something of value to the students and the community

*power*

in numbers

Form a small group of 2-5 teachers to be the coordinators/champions rather than having 1 person responsible

*pace*

yourself

Service learning phases can be spread across units, terms or even years to align with curriculum goals
