APPROACHES TO LEARNING GOALS

What do you know?

Identify **3** skills that you logged last semester at a **watch** or **copy** level that you want to take to the next level

Where do you want to go?

Set a goal to move these skills to the **next level**. Identify the category, cluster, level and subject you want to move to, and the resources that could help you get there (teacher, peer, activity etc)

Category:	Cluster:
