

# WHAT SERVICE LEARNING SHOULD I DO?

Service learning is a way of putting your new knowledge, skills and understandings into action to help an individual, group or the environment.

## Who am I?

Take some time to think about your...

Interests

Skills

Talents

## What resources can I access ?

- My service learning coordinator
- Brainstorming with friends
- My teachers
- Online resources
- Help in my community (safely, from a distance)

## What are the different types of service learning?

### Direct Service

You interact with people, the environment or animals in your service

### Indirect Service

You do not see the people or organisations that benefit from your service

### Advocacy

You speak for a cause or concern in order to promote action

### Research

You use information to report on a topic to influence someone or something

## Next steps:

- Start the **Investigate** stage
- **Research** to check that there is a need for your service idea
- **Plan** your service learning actions
- Document your actions using **Service Tracker** or a service learning logbook.
