Service Learning

GOAL SETTING

1

Complete the centre column identifying your **interests**, **skills** and **talents**. You can also use the information that you've entered in your profile on the Service Tracker App

2

Reflect on the service learning **experiences** you have completed and add them to the hexagons.

3

Identify at least **one possibility** for your next service learning experience. What are the next steps you have to take to authenticate that there is a need for service?
